water up

The bevi logo, featuring a blue circular icon with a white dot inside, followed by the word "bevi" in a lowercase, sans-serif font.

Bevi brought to you by Quench

Improve your office hydration by offering flavored water on-demand with the Bevi smart water machine. The Bevi dispenses flavored chilled and sparkling water through an elegant and smart user experience. This smart water dispenser is also internet-connected and notifies Quench technicians when a machine needs servicing. Available as a space-saving countertop machine.
